Alone Once Again.
Quis volar
Y conoc la soledad
Jugu al amor sin entregar
Sin esperar

I wanted to fly
And i knew the loneliness
I played to love without showing myself
Without hope
Salgo a buscar
Alguna huella, una seal
Hacer mi sueo realidad
Poder amar

I'm looking for
A trace, a mark
To make my dream come true
To be able to love
Sola otra vez
No s vivir
Sola otra vez
Sin amor

Alone once again
I don't know how to live
Alone once again
Without love
Quiero saber
Como es que siente una mujer
Mi coraz&#oacute;n no aguanta ms
La soledad

I want to know
How being a woman feels
My heart can't hold no more
The loneliness
Sola otra vez
No s vivir
Sola otra vez
Sin amor

Alone once again
I don't know how to live
Alone once again
Without love
Sola otra vez
Estoy a
Sola otra vez
Sin amor

Alone once again
I'm here
Alone once again
Without love
Quis volar
Y conoc la soledad
Jugu al amor sin entregar
Sin esperar

I wanted to fly
And i knew the loneliness

I played to love without showing myself
Without hope
Sola otra vez
No s vivir
Sola otra vez
Sin amor

Alone once again
I don't know how to live
Alone once again
Without love
Sola otra vez
No s vivir

Alone once again
I don't know how to live
Sin amor
Ya no quiero estar tan sola otra vez sin amor
Otra vez, sin amor...
Sin amor
Sola otra vez
No s vivir
Sin amor
Sola

Without love
I don't want to be as alone again without love
Once more, without love...
Without love
Alone once again
I don't know how to live
Without love
Alone
