

# Celine Dion, Be The Man

I would fight not to ever fall too deep  
Never sure that love would grow  
Now at night as I lay me down to sleep  
I could never let you go  
And lying here with you  
I still can't believe it's true  
Never thought that I would ever find a love  
That lasts forever  
Be the man that's mine  
Find the love that never goes away  
Be the heart I know will be  
The one that beats for me, be the man  
Used to be scared if  
I would ever get this close  
I'm not afraid to touch you now  
Long before I knew  
I'd be making love to you  
I dreamed that maybe I would one day  
Lose myself in someone, someday

Be the man that's mine  
I always try to find the love that never goes away  
Be the heart I know will be  
The one that beats for me, be the man  
Take me where I have never been  
I will follow you, you'll never be alone  
I will run, run to you  
I never thought that I would ever find a love  
That lasts forever  
Be the man that's mine  
I always try to find the love that never goes away  
Tell me we will always be together  
Make us stay in love this way forever  
Be the heart I know will be  
The one that beats for me  
Wherever you may be  
Always be with me, be the man
