

# Celine Dion, Celine Dion: Halfway To Heaven

Come and go with me  
Wherever I am, I want you to be  
Walking with your hand in mine  
Feel so fine when I'm close to you  
I know what it means to want to be true  
Never felt this way before, is there more?  
Are you feeling the same as me, honestly  
Don't you think it's unreal  
I'm not dealing in fairy tales, if this fails  
I don't know what on earth I will do  
'Cause I'm halfway to heaven  
Let's go all the way  
I don't want to give it up  
'Cause I'm already falling in love  
When we reach that place  
I'm dying to see the smile on your face  
I'm so sure you'll want to stay  
That's okay  
I have so many dreams to share, please be there  
Let me share them with you  
If you're looking for happiness, nothing less  
Come with me, baby, I'm looking too

And I'm halfway to heaven  
Let's go all the way  
I don't want to give it up  
'Cause I'm already falling now  
Halfway to heaven  
Let's go all the way  
I don't want to give it up  
'Cause I'm already falling in love  
I don't want to give my life in moderation, baby, no  
I'm prepared to give myself up to temptation, yes  
It's time I could use a little love and inspiration, baby, now  
Come and share the joy and join the celebration  
It's time hoping and praying that soon you'll be saying, Be mine  
I don't want to give it up  
I don't want to give it up  
'Cause I'm already falling in love  
You're makin' all my senses come alive  
Baby, baby, baby  
I don't want, no, baby no  
'Cause I'm already falling in love  
I don't want to give it up
