Le Fils De Superman (Superman's Son)

Tout comme son pre

Le petit Jean-Pierre

tait un fan

Un fan de Superman

Just like his father

The little Jean-Pierre

Was a fan

A Superman fan

Il collectionnait

Toutes les bandes dessines

O il pouvait voir son hros

Voler comme un oiseau

He collected

All the cartoons

Where he could se his hero

Fly like a bird

Jean-Pierre devait avoir huit ans hier

Et ses parents en taient tellement fiers

Qu'ils dcidrent de faire

Pour son anniversaire

Un voyage clair New York

La ville de Superman

Jean-Pierre should have had eight years yeasterday

And his parent were very proud of him

That they decided to do

For his birthday

A short trip to New York

Superman's town

De leur chambre d'htel

Au cinquante tage du Waldorf

La vue tait si belle

Que leur premire soire

Ils la passrent regarder

Les lumires de Manhattan

Le lendemain

In their hotel room

On Waldorf's fiftieth floor

The view was so beautiful

That their first evening

They spent it looking

At Manhattan's lights

The day after

Ils marchrent sur Broadway

Main dans la main

Comme dans un conte de fes

Et dans un magasin

O l'on vend de tout de rien

Jean-Pierre se fit offrir par son pre

Un costume de Superman

They have walked on Broadway

Hand in hand

Like in a fairytale

And in a store
Where we sell everything and nothing
Jean-Pierre had his father buy him
A Superman costume

Ds ce soir-
Il voulu le porter
Comme pyjama
Pour pouvoir mieux rver
Mais quand ses parents
Se furent endormis
Tout prs de lui dans le grand lit
Il se leva sans bruit
Il ouvrit la fentre
Et quand il vit apparatre
Les lumires de Manhattan
Il voulut s'envoler
Dans la nuit toile
Comme un oiseau qui plane

On this same night
He wanted to wear it
As pijama
To be able to dream better
But when his parents
Were asleep
All beside him in the large bed
He stood up without a noise
He opened the window
And when he saw
Manhattan's lights
He wanted to fly out
In the starry night
Like a bird soaring

C'est justement hier
Qu'on a port en terre
Jean-Pierre
Le fils de Superman

It's exactly yesterday
That we buried
Jean-Pierre
Superman's son
