Celine Dion, Live

A million stars light This beautiful night This is not a night to die Let me sing and dance Beneath the sky I have such love to give to give

I want a chance to live

Live

For the one I love

Love

As no one has loved

Give

Asking nothing in return Free free to find my way Free to have my say Free to see the day Live like I used to be

Like wild but free

For the life in me

Live

For the one I love

Love

As no one has loved

Give

Asking nothing in return This world tears us apart We're still together in my heart I want the world to hear my cry

Even if I have to die Love will not die

Love will change the world

Live

For the one I love

Love

As no one has loved

Give

Asking nothing in return

And love until love wears (?) me away I'll die and I know my love will stay And I'll know I know my love will stay

Live

For the one I love

Love

As no one has loved

Give

Asking nothing in return
