

# Celine Dion, Loved Me Back To Life

I, I, I, I, I, I...

I was walking pissed inside my head  
You couldn't get out  
Turn the lights down  
Voices inside are so loud.

You did a jump start  
Gotta turn it on  
I couldn't feel, I wish that I could dissapear  
The voices inside are so real.

But you stood by my side.  
Night after night, night after night.  
You loved me back to life, life  
From the darkness the wait is over.  
You loved me back to life, life  
From the darkness, we're lovers again tonight.  
Back to life, back to life, back to life, back to life, yeah

Warm me up one touch I'm on fire  
Love me back to life, back to life, but I died.  
The voices inside were so quiet.

But you stood my side  
Night after night, light up the night  
You loved me back to life, life  
From the darkness the wait is over.  
You loved me back to life, life  
From the darkness, we're lovers again tonight.

Strong hands, thick skin, and an open heart  
You saw through the pain, saw through the mask  
You never get up on me, yeah

You loved me back to life, life  
From the darkenss, the wait is over.  
You loved me back to life, life  
From the darkness, we're lovers again tonight  
Back to life, back to life, back to life, back to life  
Back to life. backt to life, back to life, back to life  
Yeah...
