

Celine Dion, The Prayer (Duet With Andrea Bocce

I pray you'll be our eyes, and watch us where we go.
And help us to be wise in times when we don't know
Let this be our prayer, when we lose our way
Lead us to the place, guide us with your grace
To a place where well be safe la luce che tu hai
I pray well find your light
Nel cuore rest
And hold it in our hearts.
A ricordarci che
When stars go out each night,
Eterna stella sei

The light you have
I pray well find your light
Will be in the heart
And hold it in our hearts.
To remember us that
When stars go out each night,
You are eternal star nella mia preghiera
Let this be our prayer
Quanta fede che
When shadows fill our day
How much faith there's
Let this be our prayer
In my prayer
When shadows fill our day lead us to a place, guide us with your grace
Give us faith so well be safe sognamo un mondo senza pi violenza
Un mondo di giustizia e di speranza
Ognuno dia la mano al suo vicino
Simbolo di pace, di fratern
We dream a world without violence
A world of justice and faith.
Everyone gives the hand to his neighbours
Symbol of peace, of fraternity la forza che ci
We ask that life be kind
Il desiderio che
And watch us from above
Ognuno trovi amor
We hope each soul will find
Intorno e dentro
Another soul to love
The force his gives us
We ask that life be kind
Is wish that
And watch us from above
Everyone finds love
We hope each soul will find
Around and inside
Another soul to love let this be our prayer
Let this be our prayer, just like every child need to find a place, guide us with your grace
Give us faith so well be safe
Need to find a place, guide us with your grace
Give us faith so well be safe la fede che
Hai acceso in noi,
Sento che ci salv
It's the faith
You light in us
I feel it will save us
