

# Celine Dion, Where Does My Heart Beat Now

So much to believe in - We were lost in time  
Everything I needed  
I feel in your eyes  
Always thought of keepin-  
Your heart next to mine  
But now that seems so far away  
Don't know how love could leave  
Without a trace  
Where do silent hearts go?

Where does my heart beat now  
Where is the sound  
That only echoes through the night  
Where does my heart beat now  
I can't live without  
Without feeling it inside  
Where do all the lonely hearts go

Candle in the water - Drifting helplessly  
Hiding from the thunder-  
Come and rescue me  
Driven by hunger -  
Of the endless dream

I'm searching for the hand that I can hold  
I'm reaching for the arms that let me know  
Where do silent hearts go?

Where does my heart beat now  
Where is the sound  
That only echoes through the night  
Where does my heart beat now  
I can't live without  
Without feeling it inside  
Where do all the lonely hearts go  
Where do all the lonely hearts go

Then one touch overcomes the silence  
Love still survives  
Two hearts needing one another  
Give me wings to fly

Where does my heart beat now  
Where is the sound  
That only echoes through the night  
Where does my heart beat now  
I can't live without  
Without feeling it inside

I've got someone to give my heart to  
Feel it getting stronger and stronger  
And stronger  
And I feel inside

Hearts are made to last  
Till the end of time
