Cetera Peter, Have You Ever Been In Love?

Cetera Peter
World Falling Down
Have You Ever Been In Love?
In the morning light
Half awake and half asleep
Have you ever laid there thinking
Was it all a dream?
But you reach out and she's there
Every moment, everywhere
Have you ever been in love?

Have you ever felt
How far a heart can fall
Have you ever stayed up waiting
For a telephone call
Just to hear her say hello
'Cause you miss each other so
Have you ever been in love?

Have there been times to laugh And times you really want to cry Finding reasons to believe her 'Cause you'd die a little if she lied And when in times of doubt Have you ever tried to work it out But still she leaves you wondering What it's all about

And when she's far away
Have you ever felt the need to stray
And tried and then discovered
It just doesn't pay
'Cause with her, you can be true
And with her, you can be you
Have you ever been in love?

Have there been times to laugh And times you really want to cry Finding reasons to believe her 'Cause you'd die a little if she lied And when in times of doubt Have you ever tried to work it out But still she leaves you wondering What it's all about

And when the night comes down Can you call your house a home Do you dream you're still together And wake up alone Have you ever been in love The way that I'm in love Have you ever been in love?
