Chad VanGaalen, City of Electric Light

And I thought you were the moon in the sky But it turned out you were just a street light You were burning like a hole in the night You were burning like a city of electric light (4x) And I thought you were the moon in the skies But it turned out you were just a pair of eyes You were lurking like a creature in the night You were looking like a city of electric light (4x) Hanging by a field Hanging in your sleep Hanging in a dream Chad VanGaalen Lyrics on www.lyrics-celebrities.anekatips.com Uuuhhh uuuuh uuuuh uuuuh He connect the stars Every single one Hanging like the sun Uuuhhh uuuuh uuuuh uuuuh And I thought you were the moon in the sky But it turned out you were just a street light You were burning like a hole in the night You were burning like a city of electric light (4x)
