

# Chamber - L'Orchestre De Chambre Noir, Set Me

Don't look at me that way  
I know you can't believe that it's come to this  
But I've told, I've shown  
and you've ignored, that I can't go on like this

How many times do I need to hurt you  
how cruel do I need to be  
for you to set me free

Please, set me free

I promised you the truth  
even if it hurts, and now I'll tell you.  
My love for you has changed.  
If I stayed it's only because I'm used to you

Wondering if I'd like to stay and grow old with you  
hey, honestly, the answer's no  
that's why I've got to go.

Please, set me free

You it tortures me to stay  
and it tortures me to go  
and even though you cry  
I now if I'd stay I'd die  
in this golden cage of a love gone by  
to ourselves be true and say goodbye  
say goodbye

Words: Marcus Testory

Music: Marcus Testory, Christoph Aschauer
