

Champs United, The Final Countdown

We're leaving together
But still it's farewell
And maybe we'll come back
To earth, who can tell?
I guess there is no one to blame
We're leaving ground, leaving ground
But things they will always look same again
It's a final countdown
The final countdown
Oh, we And things to be found, to be found
I'm sure that we'll all miss her go
It's a final countdown
The final countdown
The final countdown
The final countdown, oh, oh
The final countdown, oh
It's a final countdown
The final countdown
The final countdown
The final countdown, oh
It's the final countdown
We're leaving together
To the final countdown
