

Chapman Gary, Heal Me

Chapman Gary
The Light Inside
Heal Me
by Gary Chapman

Heal me!

I'm not sure how much more I can take
I can't tell at what point I will break
But I can feel it coming on
I can feel it coming on
I'm so tired of planning my next fall
I might lose my head and lose it all
I can feel it coming on
Yeah, I can feel it coming on

And I'm so sorry that I'm feeling so sorry for myself
I want to stop this

CHORUS:

Life isn't fair
I don't deserve this
How did this start
And when will it pass
I want a chance
Though I may falter
Here at this alter
I dare to ask you
To heal me, won't you heal me, come and heal me, heal me

There is a hope I don't deny
Deep in my heart I want to try
And I can feel it coming on
I can feel it coming on

And I'm so sorry that I'm feeling so sorry for myself
I want to stop this

(REPEAT CHORUS)

Heal me, heal me
Heal me, heal me
I'm askin' you to heal me, heal me
Come and heal me, come and heal me
When I need you, when I need you
Won't you heal me
When I'm cryin', when I'm hurtin'
Won't you heal me
I'm down on my knees, I'm beggin' you please
To heal me
Come and heal, heal me, heal me, heal me
