The only one i know, has come to take me away The only one i know, is mine when she stitches me (chorus)

Everyone has been burned before, everybody knows the pain Everyone has been burned before, everybody knows the pain The only one i see, has found an aching in me

The only one i see, has turned her tongue into me Chorus

The only one i know, never cries, never open her eyes The only one i know, wide awake and then she's away Chorus

The only one i see, is mine when she walks down our street The only one i see, has carved her way in to me Chorus
