## Charles & Eddie, Would I Lie To You?

**CHORUS:** 

Look into my eyes
Can't you see they're open wide
Would I lie to you baby
Would I lie to you
Don't you know it's true
Girl there's no one else but you
Would I lie to you baby
Would I lie to you

Everybody wants to know the truth
In my arms is the only proof
I've hidden my heard behind the bedroom door
Now it's open I can't do no more
I'm telling you baby you will never find another girl
In this heart of mine

## (repeat chorus)

Everybody's got their history
On every page a mystery
You can read my diary you're in every line
Jealous minds never satisfied (satisfied)
I'm telling you baby you will never find another girl
In this heart of mine

## (repeat chorus)

(Would I lie to you)
When you wanna see me night and day
(would I lie to you)
If I tell you that I'm here to stay
(Would I lie to you)
Do you think I give my love away
(would I lie)
That's not the kind of game I play

I'm telling you baby you will never find another girl In this heart of mine

(repeat chorus to fade)
