Going On With My Jesus

GOIN ON WITH MY JESUS

Lord

I'm going on with my Jesus just the same  
I'm going on with my Jesus just the same  
they may false accused me  
scandalize my name  
but i'm going on with my jesus just the same

I'm going on with my Jesus just the same  
I'm going on with my Jesus just the same  
you may false accuse me  
scandalize my name  
but i'm going on with my Jesus just the same.

listen church

The narrow way is the straight way  
it don't have no crooks and bends  
I got to go on with my Jesus  
I know he's my best friend  
with my enemy all around me  
tears fill my eyes.  
I bow down on my bending knees  
and I rise up with a smile

I say i'm going on with my JESUS just the same  
get behind me satan  
going on with my Jesus just the same  
church  
you may false accuse me  
scandlize my name  
but i'm going on with my Jesus just the same

Somebody may laugh  
and talk about me when I shout  
but this is one thing for sure  
I know what i'm shoutin about  
when old satan try to stop me  
he put stumbling blocks in my way  
I stand up on my own  
and these are the words i say

I'm going on with my Jesus just the same  
I say i'm going on with my Jesus just the same  
church  
you may false accuse me  
scandlize my name  
but i'm going on with my Jesus just the same  
church  
i'm going on  
i'm goin on  
tears in my eyes  
but i'm going on  
heartache and pain  
but i'm goin on  
Storms may rise  
winds may blow  
i'm going  
lighting may flash  
thunder may roar

i'm going  
but i'm going on  
and the reason why  
i'm going on
