

Charli XCX, 5 In The Morning

i know you type
think you're one in a million
your diamonds are fake
you ain't golden
I only fuck with the one
who are rare enough
real enough
down to keep goin'

it's 5 in the morning
and I'm goin' all in
I'm busy ballin
funny how wherever I wanna go
you wanna be there too

pull up in stone with your clique
glacier all up on your wrist
think you're the sickest
like you got diseases
but you ain't got nothing on this
I can see you talk
got a big mouth: blablabla
won't you stick around for
the come down?
24/7 I'm 365
wait for me heaven
I'm here till I die

it's 5 in the morning
and I'm goin' all in
I'm busy ballin
I ain't even stoppin'
it's 5 in the morning
I'm so devoted
it's 5 in the morning
and I'm goin' all in
I'm busy ballin
I ain't even stoppin'
it's 5 in the morning

I'm in my element everyday
birthday cake
you want a piece 'cause it's tasty
we on a roll
we don't stop
'til the bottles all popped
and the pills got me wasted

it's 5 in the morning
and I'm goin' all in
I'm busy ballin
funny how whenever I wanna go
you wanna be there too

pull up in stone with your clique
glacier all up on your wrist
think you're the sickest
like you got diseases
but you ain't got nothing on this
I can see you talk
got a big mouth: blablabla
won't you stick around for
the come down?
24/7 I'm 365

wait for me heaven
I'm here till I die

it's 5 in the morning
and I'm goin' all in
I'm busy ballin
I ain't even stoppin'
it's 5 in the morning
I'm so devoted
it's 5 in the morning
and I'm goin' all in
I'm busy ballin
I ain't even stoppin'
it's 5 in the morning

funny how wherever I wanna go
you wanna be there too
funny how wherever I wanna go
you wanna be there too
