

# Charli XCX, Beg For You (feat. Rina Sawayama)

You know I go insane  
Every time you have to catch a flight  
Ah, ah-ah-ah  
Can I take you to the airport?  
Make out under the bathroom lights?  
Ah, ah-ah-ah  
Put your lips on my lips  
I'll remember your kiss  
On the nights when I miss you, ooh  
Something I can't forget  
When I'm restless in bed  
Yeah, you got me obsessed, mmm  
Oh, don't you leave me this way  
Won't you wait another hour or two?  
You know I need you to stay  
Don't make me beg for you  
'Cause I'll beg for you  
Yeah, yeah, yeah, uh, yeah  
Beg for you, beg for you  
Beg for you, beg for you  
Beg for you, beg for you  
Oh, don't you leave me this way  
You're like an ocean breeze  
Coming and going just as you please  
Ah, ah-ah-ah  
Separated by a degree  
Hesitate and I lose you  
So far out of reach  
Ah, ah-ah-ah  
Oh, put your lips on my lips  
I'll remember your kiss  
On the nights when I miss your mouth  
Something I can't forget  
When I'm restless in bed  
Yeah, you got me obsessed, now  
Oh, don't you leave me this way  
Won't you wait another hour or two?  
You know I need you to stay  
Don't make me beg for you  
'Cause I'll beg for you  
My heart is aching  
My breath, you take it  
Oh, babe, I just want a taste  
Don't you leave me this way  
Don't make me beg for you  
Don't leave me, don't leave me  
This way, this way  
This way  
Don't leave me, don't leave me  
This way, this way  
This way  
Don't leave me, don't leave me  
This way, this way (don't you leave me, don't you leave me)  
This way (don't you leave me)  
Don't leave me, don't leave me  
This way, this way (don't you leave me, don't you leave me)  
This way (yeah)  
Don't you leave me (yeah), don't you leave me  
Yeah, yeah, yeah
