

Charli XCX, Club Classics

Right now, right now, right now, right now
Right now, right now
It's-, it's-, it's like, it's like

When I go to the club (Right now, right now)
I wanna hear those club classics (Right now, right now)
Club classics (Right now, right now)
Club, club classics (Right now, right now)
When I go to the club (Right now, right now)
I wanna hear those club classics (Right now, right now)
Club classics (Right now, right now)
Club, club classics (Right now, right now)
When I go to the club (Right now, right now)
I wanna hear those club classics (Right now, right now)
Club classics (Right now, right now)
Club, club classics (Right now, right now)

Yeah, I wanna dance to me (Right now, right now)
I wanna dance to A.G. (Right now, right now)
I wanna dance with George (Right now, right now)
I wanna dance to SOPHIE (Right now, right now)
I wanna dance to HudMo (Right now, right now)
Play the track fast, not slow (Right now, right now)
Pull it back twice, let's go (Right now, right now)
Sweat marks all on my clothes (Right now, right now)
Tight like my kinda flow (Right now, right now)
Yeah, I wanna be blinded by the lights, lights, lights (Right now, right now)

Right now, right now, right now, right now
Right now, right now, right now, right now
Right now, right now, right now, right now
Right now, right now, right now, right now

Put your hands up and dance
Yeah, I'm gonna dance all night, that's right
All night
Never gonna stop till the morning light
Put your hands up and dance
Yeah, I'm gonna dance all night, that's right
All night
Never gonna stop, never gonna stop, oh

Yeah, I wanna dance to me, me, me, me, me
When I go to the club, club, club, club, club, club
Yeah I wanna dance to me, me, me, me, me
When I go to the club, club, club, club, club, club
Yeah, I wanna dance to me, me, me, me, me (Put your hands up and—, I'm gonna—)
When I go to the club, club, club, club, club, club (Like)
Yeah I wanna dance to me, me, me, me, me (Put your hands up and—, I'm gonna—)
When I go to the club, club, club, club, club, club (Like)

Put your hands up and dance
Yeah, I'm gonna dance all night, that's right
All night
Never gonna stop till the morning light
Put your hands up and dance
Yeah, I'm gonna dance all night, that's right
All night
Never gonna stop, never gonna stop, oh
