

Charli XCX, No Fun

No Fun
My, baby
No Fun
No Fun
My, baby
No Fun

No Fun to hang alright
Feel
Feeling that same old way
No Fun to hang alright
Frak iut for anather day

No Fun
My, baby
No Fun
No Fun
My, baby
No Fun

Walking by myself
No fun to be alone
And lost with nobody else

We'll maybe go out
We'll maybe stay home
Baby come on, on the telephone
Come on /4x
o fun to be alone
Hang on
Don't you let me go

When I say come on, run!
I say, come on, run!
come on, run!
Let me hear your tone
Let me hear your telling how I
telling him how I
telling him how I
telling him how I feel
Come on and tell him how I feel
