Rollercoaster ride in the fast lane
got the roof down, kiss me hard in the rain
you got the candy colored eyes
pink and gold chain, million dollar babe
whip it out like I'm propane

you're on my mind
I'm feeling kinda nervous
but I like it, take my t-shirt off and do it right
you're on my mind
I'm feeling like an astronaut
watching the world all alone, just you and I

Roller-coaster ride in the fast line
Goot the roof down
kiss me hard in the pouring rain
yes, I can see it in your eyes
know you feel the same
million dollar babe
trippin on
like I'm propane
beautiful

caught in a liplok when we pit stop
cosmic kiss tastes like cherry maraschino
ride passenger seat, tropical heat
eyes so red you could be my Valentino
if you want my heart then don't you drop it
I'm right here, right in your pocket
Don't you drop, it never stop it
If you want my lobe
ty to unlock it
