

# Charli XCX, You?re The One

Don?t stand in the darkness  
Thinking light lime  
Keep the soul loose  
Cristals on the skyline  
Cut the midnight  
Alterable lift

You?re the one that can make me stay  
You?re the only one who makes me feel this way  
You?re the one that?s been stealing stars  
Your golden arrow went through my eye  
You?re the one that can turn the ?age  
You?re the one that gave me light in another gage  
Now I?m dancing in the tide

Fly me through the black night  
You?re the angel in the new light  
Running through the thunder  
I need to cover, so for low, low

You?re the one that can make me stay  
You?re the only one who makes me feel this way  
You?re the one that?s been stealing stars  
Your golden arrow went through my eye  
You?re the one that can turn the ?age  
You?re the one that gave me light in another gage  
Now I?m dancing in the tide  
/3x

Yeah I?m dancing in the darkness  
Three years before I was feeling so heartless  
But your bright shined through  
Now I?m drinking love ?otion  
On my late nights laying with you

It?s a criminal feeling  
Happiness cries and the tears are dreaming  
My body is screaming  
I?m staying right here  
No I?ll never be leaving
