

Charlie Daniels, Jackson

And sin kept my life in a whirl
Lust, greed and money and sensual pleasures
Mark the boundaries of my narrow world
I was headed for hell but as far as I fell
Your spirit still followed me down
Then when I hit the bottom
And cried out for mercy
You picked me up off the ground
Heart of my heart, rock of my soul
You changed my life when You took control
Thy will be done, God's only Son
Faithful and true Lord of all Lords, King of all kings
The sweet sacrifice of praises we bring
Worthy's the lamb, all that I am I give to you
Satan kept telling me that it was too late
I'd committed the unpardonable sin
But I knew he was lyin' when I felt conviction
Tug on my heart strings again
I'm not proud of the past but I can't do a thing
To make up for the time that I've lost
Now my heart and my soul
And what life I have left
I lay at the foot of the cross
I give to You, heart of my heart
