And sin kept my life in a whirl Lust, greed and money and sensual pleasures Mark the boundaries of my narrow world I was headed for hell but as far as I fell Your spirit still followed me down Then when I hit the bottom And cried out for mercy You picked me up off the ground Heart of my heart, rock of my soul You changed my life when You took control Thy will be done, God's only Son Faithful and true Lord of all Lords, King of all kings The sweet sacrifice of praises we bring Worthy's the lamb, all that I am I give to you Satan kept telling me that it was too late I'd committed the unpardonable sin But I knew he was lyin' when I felt conviction Tug on my heart strings again I'm not proud of the past but I can't do a thing To make up for the time that I've lost Now my heart and my soul And what life I have left I lay at the foot of the cross I give to You, heart of my heart
