

Charlie Hall, We Are Yours

And we are Yours
We are Yours
And we are Yours
We are Yours
We are Yours
We are Yours
We are Your sons and daughters
And You are our holy Father
All our fountains are in You, Jesus
We open wide our mouths and You fill us
And we are Yours
We are Yours
And we are Yours
We are Yours
We are Yours
We are Yours
And we are a generation
Touched by Your salvation
And made by You and for Your glory
You've marked us here to alter history
And we are Yours
And we are Yours
And we are Yours
We are Yours
We are Yours
We are
And we are Yours
You daughters of God
We are Yours
Daughters of God
We are Yours
Yeah, we are Yours
We are Yours
We are Yours
Sons now
We are Yours
You sons of God
We are Yours
[Incomprehensible]
We are Yours
Chosen by the Father
We are Yours
We are Yours
We are Yours
So sing together sons and daughters
We are Yours
And we are Yours
And we are Yours
We are Yours
We are Yours
We are
Just the voices
And we are Yours
And we are Yours
We are Yours
We are Yours
We are Yours
We are Yours
We are Yours
Yeah, we are Yours
We are Yours
We are Yours
