

# Charlie Louvin, I Don't Have Anyplace To Go

You told me late last night you wished I'd leave you but I don't have anyplace to go  
I'll do anything I can to make you happy but your love for me is gone as we both know  
You told me late last night you wished I'd leave you but I don't have anyplace to go  
I can't go running home cause I don't have one  
To stay in town would be like dying slow  
For every day I'd run into your mem'ry and I don't have anyplace to go  
[ guitar - steel ]  
The fault is mine for loving you so deeply no man should ever love one woman so  
For there you stand telling me to leave you but I don't have anyplace to go  
No I don't have anyplace to go
