

# Charlie Puth, Attention

You've been running round  
running round /2x  
Throwing that dirt all on my name  
Cause you knew that I  
Knew that /2x  
I'd call you up /2x  
You've been going round  
going round /2x  
every party in L.A.  
Cause you knew that I  
Knew that /2x  
I be at one

I know that dress is karma  
Perfume regret  
You got me thinking about when you're mine  
And now I'm all up on you  
What you expect  
You should be coming home with me tonight

You just want attention  
You don't want my heart  
Baby, you just hate the thought of mine  
With somebody else  
Yes, You just want attention  
O knew it from the start  
You're just making sure  
I'll never getting over you

You've been running round  
running round /2x  
Throwing that dirt all on my name  
Cause you knew that I  
Knew that /2x  
I'd call you up /2x  
Baby, another way  
Another way /2x  
When we're staying face to face  
You already know /3x

I know that dress is karma  
Perfume regret  
You got me thinking about when you're mine  
And now I'm all up on you  
What you expect  
You should be coming home with me tonight

You just want attention  
You don't want my heart  
Baby, you just hate the thought of mine  
With somebody else  
Yes, You just want attention  
O knew it from the start  
You're just making sure  
I'll never getting over you

what are you doing to me?  
what are you doing?  
/6x
