

# Charlie Puth, Free

They'll never know  
Just who you are  
But they can't turn your  
Bright star dark  
They'll try hold you spirit down  
Couldn't do it then  
Can do it now

They will try to tell you  
Who to be  
But they can't change the way  
You feel

Can't tame a wild heart  
You are free
