

Charlie Puth, Left and Right feat. Jungkook (BTS)

Memories follow me left and right
I can feel you over here
I can feel you over here
You take up every corner of my mind
(What ya gon' do now?)

Ever since the-the day you-you ran away
(No, I don't know how)
How to erase your body from out my brain?
(What ya gon' do now?)
Oh, no (Oh, no)
Oh, no (Oh, no)
You're goin' 'round in circles
Got you stuck up in my head, yeah

Memories follow me left and right
I can feel you over here, I can feel you over here
You take up every corner of my mind
Your love stays with me day and night
I can feel you over here, I can feel you over here
You take up every corner of my mind

What ya gon' do now?
