Charlie Puth, One Call Away

I'm only one call away I'll be there to save the day Superman got nothing on me I'm only one call away

Call me, baby, if you need a friend I just wanna give you love C'mon, c'mon, c'mon Reaching out to you, so take a chance No matter where you go, know you're not alone

I'm only one call away I'll be there to save the day Superman got nothing on me I'm only one call away

Come along with me and don't be scared I just wanna set you free C'mon, c'mon, c'mon You and me can make it up, be wild For now, we can stay here for a while Cause you know, I just wanna see your smile No matter where you go, know you're not alone

I'm only one call away I'll be there to save the day Superman got nothing on me I'm only one call away

When you're weak I'll be strong I'm gonna keep holding on Now don't you worry, it won't be long Darling, if you feel like hope is gone Just run into my arms

I'm only one call away
I'll be there to save the day
Superman got nothing on me
I'm only one, I'm only one call away
I'm only one call away
I'll be there to save the day
Superman got nothing on me
I'm only one call away
I'm only one call away
