

Charlie Wilson, My Love Is All I Have

Hello, do you have a minute?
I noticed you from across the room.
Excuse me, miss, don't take this wrong,
I couldn't resist that smile and those beautiful eyes.
I could see that you were fancy clothes and drive a fancy car.
Your hair did and your nails done, looking like a superstar.
Can I take out to dinner, baby?
'cause there's something that I wanna say to you.

My love is all I have, (All I Have)
I have to give, I have to give. (Have to give loves for real)
My love is all I have, (All i have baby)
I have to give, I have to give to you.

I may not have a bank account with seven figures,
And I may not have a sailboat and a big old mansion, oh, no.
But I do know how to love you, baby
And in my own way, in my own way, I'm rich as hell.
I really hope that none of this don't matter (oh baby)
And I hope that you don't judge a man by his status.
And I was wondering if you and I could get together,
Know each other better.
And I promise you I'll give my all and make my heart your mansion.

I'll give you all I have,
Love is all I have.
Girl, you see what it is, I'm just keeping it real,
It's real, it's real.

My love is all I have, (All i have)
I have to give, I have to give. (have to give owe baby)
My love is all I have, (My Love, all i have to give baby)
I have to give, I have to give. (All I have to give baby)

My love is all I have, (all my love)
I have to give, I have to give.
My love is all I have,
I have to give, I have to give to you.

All I got to give u baby

My love is all I have, (all my, all my love)
I have to give, I have to give.
