

Charlie Wilson, What You Do To Me

Don't stop, don't stop
All the money that's in the world can't buy me no peace of mind, no
Don't matter how much you got if your heart's unsatisfied
And you can even have a thousand friends still feel like your all alone
If you ain't got no one to call your own
So excuse me if I said this once before
I just can't help myself, I need something more
'Cause I just love the way that you don't stop
And I just love the how that you don't stop
And everything that you do when you don't stop
Doing what you do to me
And no one makes me feel how I feel with you
So don't stop, don't stop what you do to me
It's crazy when I think about how I used to live my life without you
Wondering if I'll find someone who makes me feel so good inside
There's one thing I know for sure
I like the way it feels when we're together
And it's all good, I don't want to let you go
I just can't help myself, girl you need to know
'Cause I just love the way that you don't stop
And I just love the how that you don't stop
And everything that you do when you don't stop
Doing what you do to me
And no one makes me feel how I feel with you
So don't stop, don't stop what you do to me
All I want to do is get with you, baby girl I can't leave you alone
I guarantee, you're gonna feel everything that you been missing
I just wanna hold your body tight everytime I look into your sexy eyes
My baby, baby, baby, baby
'Cause I just love the way that you don't stop
And I just love the how that you don't stop
And everything that you do when you don't stop
Doing what you do to me
And no one makes me feel how I feel with you
So don't stop, don't stop what you do to me
'Cause I just love the way that you don't stop
And I just love the how that you don't stop
And everything that you do when you don't stop
Doing what you do to me
And no one makes me feel how I feel with you
So don't stop, don't stop what you do to me
