

Cheap Sex, Youth Offender

Why do we waste our lives?
When we can be so much more
Why do we have to settle?
Why don't we kick down the door?
We don't have to be a clone
And we don't have to conform
Don't have to be a drunk
We can be so much more

[Chorus:]
Youth - youth offender,
Youth - youth offender,
Youth - youth offender,
Change now, change now!
