

# Cheat Codes, Lean On Me (feat. Tinashe)

I don't even know what day it is  
I don't even know the time  
But these seconds are irrelevant  
When you're by my side  
There's somethingg aout your body  
Babye, i could si pit on ice  
But i can never get wenough of you  
I'll be wasted fro life

Everyone  
They've gone through it  
Wondering what are we doing, doing

Baby, when your're falling  
You can lean on my  
When you don't feel strong  
When you don't believe  
Babe, let me love you  
I won't ever leave  
Promise when you're falling  
You can lean on my  
You can lean on my

Stay /3x  
Forever  
You can lean on my  
You can lean on my  
If stay,  
Stay, stay forever  
You can lean on my

I don't even got a lot to give you  
So willi t be enough?  
Will you love me through the hell of it  
When the battle;s rough?  
Been waiting on the moment  
Liek when's it gonna come?  
Cause in th emiddle of everything  
You're the only one

Everyone  
They've gone through it  
Wondering what are we doing, doing

Baby, when your're falling  
You can lean on my  
When you don't feel strong  
When you don't believe  
Babe, let me love you  
I won't ever leave  
Promise when you're falling  
You can lean on my  
You can lean on my

Stay /3x  
Forever  
You can lean on my  
You can lean on my  
If stay,  
Stay, stay forever  
You can lean on my
