Cheat Codes, No Promises (ft. Demi Lovato)

Cut me up like a knife
And I feel it
Deep in my bones
Kicking it high
But I love even harder
You wanna know?

I just wanna dive in the water with you
Baby, we can't see the bottom
It's so easy to fall each other
I'm just hoping we catch one another

Just be careful
Love ain't simple
Promise me no promises

Baby I think about you
And I feel it
Deep in my heart
Maybe we just ain't meant to be something
Maybe we are?

I just wanna dive in the water with you
Baby, we can't see the bottom
It's so easy to fall each other
I'm just hoping we catch one another

Just be careful
Love ain't simple
Promise me no promises
