

# Cheez, Cheez Iz Me

(cheese, cheese, cheese, cheese)  
(continue chanting)

So what if I like this cheese?  
It's just a little food to me  
But when I see that crazy stuff  
I get a whole new feeling

It's cheese, I'm cheese  
The food that cant be beat  
I'm cheese, your cheese  
It makes me beg down on my knees for

Cheese, I'm cheese  
I cant resist that cheesy stuff  
It's cheese, I'm cheese because  
Cheez iz me

So get this now?  
I was walking down this street  
and stopped at a store  
I peered in the window  
and went crazy! Because:

(chorus 2x)

Cheez iz me (fades out)  
(chanting)(cheering)
