

Chef'Special, In Your Arms

Now you're gone, I know you're gone
But I don't feel what I know
I know you're gone, I know you're gone
But my mind it no control
Cuz it's my heart that's been missing you
It's the heart I need to listen to
And it's been sing a song, pretend to dream
That once to say it's help us leaving
One day I will those song
Sing 'em til I sleep
Just like you sing to me
Just like you sing, sing to me

From the day that I met you I stop feeling a afraid
In your arms I feel safe, in your arms I feel safe

From the day that I met you I stop feeling a afraid
In your arms I feel safe, in your arms I feel safe

Miss you so, I miss you so, and I miss you til I'm off
Miss you so, I miss you so well my afraid will fade I know
Cuz it's my heart that you help to build
Love it's my ...steal you
Love will fill the whole I got
Cuz you will never hold me but I know that you are with me
I know that you are a piece
Cuz you let a sing to sleigh
You let a sing, your heart's sleigh

From the day that I met you I stop feeling a afraid
In your arms I feel safe, in your arms I feel safe

From the day that I met you I stop feeling a afraid
In your arms I feel safe, in your arms I feel safe

I know that you are with me
I know that you are a piece
Cuz you let a sing to sleigh

From the day that I met you I stop feeling a afraid
In your arms I feel safe, in your arms I feel safe
In your arms. In your arms, In your arms

From the day that I met you I stop feeling a afraid
In your arms I feel safe, in your arms I feel safe

From the day that I met you I stop feeling a afraid
In your arms I feel safe, in your arms I feel safe

From the day that I met you I stop feeling a afraid
In your arms I feel safe, in your arms I feel safe

From the day that I met you I stop feeling a afraid
In your arms I feel safe, in your arms I feel safe
In your arms
I miss you so, I miss you so and I'll miss you til I'm off
