

# Cher, Again

Again evening finds me at your door  
Here to ask you just once more  
If we could try again  
I don't know quite what to say  
Never was too good that way  
So won't you help me again

I don't know what made me leave  
If you just take me back you see  
How much I love you

Again don't stand crying in the door  
If you believe your eyes once more  
You see I'll never lie again
