I cannot tell you of my life
Here is my story

Ill sing a love song
Sing it for you alone
Though youre a thousand miles away
Loves feeling so strong

Come to me baby Dont keep me waiting
Another night without you here
And Ill go crazy

There is no other there is no other
No other love can take your place
or match the beauty of your face
Ill keep on singing til the day
I carry you away

With my love song
With my love song

Where are you now my love?
I need you here to fold me

Whispered so sweetly
Feel my heart beating
I need to hold you in my arms
I want you near me

Come to me baby
Dont keep me waiting
Another night without you here
And Ill go crazy

There is no other there is no other
No other love can take your place
or match the beauty of your face
Ill keep on singing til the day
I carry you away

With my love song
With my love song

Non c nessuno
(there is no other)
Non c nessuno
Non c nessuno
Bello come te e ti amo
(as beautiful as you and I love you)

Come to me baby
Come to me baby
Another night without you here
And Ill go crazy

There is no other there is no other
No other love can take your place
or match the beauty of your face
Ill keep on singing til the day
I carry you away

With my love song with my love song
With my love song with my love song
