## Cher, Hey Joe

Hey joe where are you going With that gun in your hand I said now Hey joe where are you going With that gun in your hand

Going down to shoot my old lady Cause you know I caught her messing a round town I'm going down to shoot my old lady Cause I caught her messing around With another man

Hey joe I heard you shot your woman down Shot her down Hey I said hey joe I heard you shot your woman down Shot her down to the ground Yes I did, I shot her Cause I caught her messing around town

Hey joe I heard you shot your woman down Shot her down But I said hey joe I heard you shot your woman down Shot her down shot her down Yes, yes I did, I shot her Cause I caught her messing around town

Hey joe where you gonna run to now I said, I said hey joe where you gonna run to now Where you gonna go Well jig I'm going down south way down to mexico way I said I'm going down south way down to mexico way
