In my shirt pocket I always keep a one hundred

Let's live off the wall, the wall, the wall, the wall  
Stand up till we fall,  
If we break we'll take it all

'Cause we run, run for our lives,  
Run for tomorrow, run for tonight  
'Cause we run, run till we die.  
No point in living if we ain't living life  
So, riot, riot!  
Everybody stand up  
It's a riot! riot!  
Put your f\*n hands up cause we come alive  
Tonight, tonight

We on it, most wanted  
Gotcha looking round for our fingerprints on it  
No comment just being honest  
New world can't f with us  
Boom badoom boom boom boom  
Don't make us come for you  
Rough riders  
Dun da da  
If you don't give a what put em up, don't knock us

Let's live off the wall, the wall, the wall, the wall  
Stand up till we fall, if we break we'll take it all

'Cause we run, run till we die.  
No point in living if we ain't living life  
So, riot, riot!  
Everybody stand up  
It's a riot! riot!  
Put your f\*n hands up cause we come alive
