

# Cher, Love One Another

Everybody needs a little tenderness  
Everybody needs a release  
From the cell they lock themselves in  
Love's the only peace

Everybody needs  
Everybody Cries  
Everybody Bleeds  
Everybody Dies  
Everybody Dreams  
Everybody Wakes  
Everybody makes mistakes

Love one another  
Sisters and brothers  
Love one another

Love one another  
Father and mother  
Love one another

It's easier to walk away when you've  
Got a wounded pride  
When two people stand together  
That's how they heal inside  
Try to understand  
Open up your heart  
A fist is just a hand  
It can come apart  
Let go of the past, let go of the fight  
Forgiving fills the world with light

Love one another  
Sisters and brothers  
Love one another

Love one another  
Father and mother  
Love one another

We were given a world so beautiful  
A deep ocean, a blue-blue sky  
I know we can make it a better place  
If only you and I

Love one another  
Sisters and brothers  
Love one another

Love one another  
Father and mother  
Love one another
