

# Cher, One Honest Man

I can find a four-leaf clover rainbow  
I could find it if I wanted to  
I believe if you put your mind to something  
Well there ain't anything in this world  
You could not do

What I can't find  
One honest man  
Why can't I find me  
One honest man  
Don't understand

The only thing I ever wanted  
Was a little bouquet of truth from him  
But he gave me all the things  
You can't be loving  
And I'm on the wrong side of a broken heart

Why I can't find  
One honest man  
Why can't I find me  
One honest man  
Don't understand

If a little bit of candle  
Can light up the darkness  
Why can't he find his way through  
I've been waiting  
For a very, very, very long time  
Ain't no man ever gonna be true

Don't understand  
Ain't there a man for me?

Why can't I find me  
One honest man  
Why I can't find  
One honest man

[Repeat]
