

Cher, One Honest Man

I can find a four-leaf clover rainbow
I could find it if I wanted to
I believe if you put your mind to something
Well there ain't anything in this world
You could not do

What I can't find
One honest man
Why can't I find me
One honest man
Don't understand

The only thing I ever wanted
Was a little bouquet of truth from him
But he gave me all the things
You can't be loving
And I'm on the wrong side of a broken heart

Why I can't find
One honest man
Why can't I find me
One honest man
Don't understand

If a little bit of candle
Can light up the darkness
Why can't he find his way through
I've been waiting
For a very, very, very long time
Ain't no man ever gonna be true

Don't understand
Ain't there a man for me?

Why can't I find me
One honest man
Why I can't find
One honest man

[Repeat]
