

# Cher, Song Called Children

Children playing in a park with a ball,  
teddy bears, and dolls  
If you watch them very close  
then you see there's a love for all  
Dancing through the light music only they can hear  
They can close their eyes knowing there's nothing to fear  
They can't see a thing  
Whistle through the trees cos' they are still children  
They are still children  
Now their time has come and gone they are grown all to soon  
It seems children in their land and dreams  
Dancing through the light music that only they can hear  
They can close their eyes and know there's nothing to fear

I wish that time stood still  
so they would never feel the pain of not being children  
I wish that time stood still  
so they would never feel  
I wish that time stood still
