

# Cher, Song For The Lonely

(this is) a song for the lonely  
When you're standing on the edge of no where  
There's only one way up so your heart's got to go there  
Through the darkest nights  
You see the light shine bright  
When heroes fall in love or war they live forever

(chorus)  
This is a song for the lonely, can you hear me tonight?  
For the broken hearted, battle scarred  
I'll be by your side  
And this is a song for the lonely  
When your dreams won't come true  
Can you hear this prayer  
Because someone's there for you

Though love don't need a reason  
She can pick you up or leave you bleeding  
I've seen a strong man cry  
I know the reason why  
We all forgive, we all forget  
We just keep believing

(chorus)  
This is a song for the lonely, can you hear me tonight?  
For the broken hearted, battle scarred  
I'll be by your side  
And this is a song for the lonely  
When your dreams won't come true  
Can you hear this prayer  
Because someone's there for you

Dont give up, so let it find you  
Just hold on, wherever you may go  
Anywhere, I'm right beside you  
You don't have to look no more  
You don't have to look no more

(chorus)  
This is a song for the lonely, can you hear me tonight?  
For the broken hearted, battle scarred  
I'll be by your side  
And this is a song for the lonely  
When your dreams won't come true  
Can you hear this prayer  
Because someone's there for you

It's gonna be alright  
It's gonna be alright  
It's gonna be alright

Chorus  
(repeat/mix a few times)
