

Cher, Strong Enough

I don't need your sympathy
There's nothing you can say or do for me
And I don't want a miracle
You'll never change for no one

I hear your reasons why
Where did you sleep last night?
And was she worth it, was she worth it?

'Cos I'm strong enough
To live without you
Strong enough and I quit crying
Long enough now I'm strong enough
To know you gotta go

There's no more to say
So save your breath
And then walk away
No matter what I hear you say
I'm strong enough to know you gotta go

So you feel misunderstood
Baby, have I got news for you
On being used, I could write a book
You don't wanna hear about it

I've been losing sleep
You've been going cheap
She ain't worth half of me it's true
I'm telling you

Now I'm strong enough to live without you
Strong enough and I quit crying
Long enough now I'm strong enough
To know you gotta go

Come hell or waters high
You'll never see me cry
This is our last goodbye, it's true

I'm telling you
That I'm strong enough to live without you
Stron enough and I quit crying
Long enough now I'm strong enough
To know you gotta go

There's no more to say
So save your breath
And you walk away
No matter what I hear you say
I'm strong enough to know you gotta go
