

# Cher, Wans't It Good

Wasn't it good  
The way that I touched you late last night  
Wasn't it good again  
In the morning's early light  
Did you know when you closed  
That bedroom door  
I betcha didn't know exactly what  
I had in store  
Wasn't it good  
When you felt it coming through you  
Wasn't it good  
That I knew just how to do you  
Did you know you never had it  
Like this before  
I betcha didn't know  
You'd be coming around  
Back for more, more, more  
Let's have a party  
Love's pouring out of my soul  
I'm your party hearty  
And let the future take control  
Just remember my darling  
When there's time to spare  
You'll be thinking about me  
And our hot affair  
Saying wasn't it good  
Wasn't it good so good  
Did you know you never had it  
Like this before  
And I betcha didn't know  
You'd be coming around  
Back for more, more, more  
Let's have a party  
Love's pouring out of my soul  
I'm your party hearty  
And let the future take control  
Let's have a party  
We'll make the best of it while we can  
God you won't be sorry,  
Cause I'm committed to  
Pleasing my man, my man  
Just remember my darling  
When there's time to spare  
I'll be thinking about you  
And our hot affair  
Saying wasn't it good  
Wasn't it good so good  
Do you love her, can you dig it,  
Did I do it to you baby so good  
Did you want it, can you dig it,  
Do you love it baby, baby so good  
Was it was it really good,  
You love it didn't you lover  
God I'm so ooh shoot, am I good  
Did you love it did you want it  
Can you dig it  
Baby, baby so good
