Chet Faker, Get High

I wanna get high
I wanna take a break from myslef
I wanna live life
I wanna know all about it
I wanna get ovetr you
I wanna be somebody else
I wanna survive
I wann just think about myself

And just brcause i tried
Doesn't mean i am wrong
Just because i am crying
Doesn't mean i am not strong
Just because you're right
Doesn;t mean it wrong
Just because we cryin'

Get high
Get high
Get high
Get high

I wana feel the sun on my back
I wanna sit back
Wi wanna feel soemthin'
Ma Lac
I wanna get over it
I wanna live lng and Prosper
Don't wanna think twice
I wanna feel old school in hell, say

And just brcause i tried
Doesn't mean i am wrong
Just because i am crying
Doesn't mean i am not strong
Just because you're right
Doesn;t mean it wrong
Just because we cryin'

Get high
Get high
Get high
Get high
