

# Chet Faker, Gold

You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love I said it

You gotta know, I'm feeling love  
You gotta know, I'm feeling love

You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love I said it

I might as well be in a garden  
I said, ah  
A smell in the air is a dripping rose  
You could be the one for me  
Another soul to meet my void then  
Of anything bare that's made of gold

A physical kiss is nothing without it  
And you close your eyes to see what it's done  
The body that lies is built up on looking  
Cause all that remains before it's begun

You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love, I said it

You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love, I said it

A heart will swell before it's hardened  
With the flick of the hair, it can make you old  
Another hole to dig my soul in  
I'll leave anything bare that keeps me soul

A physical kiss is nothing without it  
And you close your eyes to see what it's done  
The body that lies is built up on looking  
Cause all that remains before it's begun

You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love, I said it

You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love, I said it

You gotta know, I'm feeling love  
Made of gold, I never loved a  
Another one, another you  
It's gotta be love, I said it
